E. San Antonio Street Bridge Traffic Advisory

New Braunfels, TX – The City of New Braunfels has announced that due to the E. San Antonio Street Bridge rail repair and street light projects in progress there will be alternating street lane closures beginning Monday, January 7th at 8:00 a.m. through Friday, January 18th at 5 p.m.

In order to accommodate access for construction equipment installing electrical conduit on the bridge flagmen will be stationed at each end of the bridge allowing traffic to flow in both directions, one direction at a time. Alternating lane closures will occur from 8:00 a.m. until 5:00 p.m., Mondays through Fridays only during this phase of the project. All lanes will be open outside of these hours. The public should expect delays in this area.

For additional information, contact Octavio Garza, Capital Programs Manager, at 713-205-6237.
