City Seeks Input from Mission Oaks Residents on Kerlick Park

New Braunfels, TX –New Braunfels Parks and Recreation is hosting a gathering of neighbors from the Mission Oaks Subdivision. On Thursday, January 24th, residents are invited to attend a neighborhood input meeting and share their ideas for Kerlick Park, which is located at 501 Kerlick Lane. The gathering will begin at 6:30 p.m. at the New Braunfels Christian Academy, 995 Mission Hills Drive.

The park property is the former site of Fire Station #4. The City opened the replacement for the old station on Alyssa Way in October of 2012.

“We hope to have a big turn-out and a productive visit with the residents. It’s great weather for them to come and enjoy some hot chocolate while we note their ideas and input.” said Stacey Dicke, Parks and Recreation Director. “We are excited to enhance this green space, and are eager to learn what the residents of this area envision.”

The meeting is a “come and go as you can” event. For additional information, contact the Parks and Recreation Department at 830-221-4350.
