Fan Drive Underway

New Braunfels, Texas — The New Braunfels Firefighter and Police Association's are conducting their 2nd Annual Fan Drive now through July 1st. The fans will be distributed to those in the community who need help dealing with the extreme summer heat.

Donors are asked to bring new, in the box fans to any of the following locations:

- New Braunfels Police Department (S. Seguin Avenue)
- Any New Braunfels Fire Station
- New Braunfels Fire Department Training Facility (Industrial Drive)
- Miller & Miller Insurance (W. San Antonio Street)

“This is an easy, effective way for people to help their neighbors live more safely and comfortably,” said James Sellers, Fire Department Investigator. “As firefighters, paramedics and police officers, we see firsthand the dangers some of our residents face during the intense heat of the summer months so we’re dedicated to this project and happy to open up our stations to accept fan donations.”
