June Sales Tax Received Shows 9.4% Increase

New Braunfels, Texas — The City of New Braunfels has announced an overall increase of 9.4% in sales taxes received for the month of June 2013 sales compared to the same month last year. The tax from June sales, without any audit or other months' adjustments, increased basically the same percentage - 9.45%.

“This puts total sales tax receipts for the first nine months of the fiscal year at 12.8% above the same period last year,” said Debi Korinchock, Chief Financial Officer. “This is continued great news for the City. The actual growth in sales tax by fiscal year end will, as always, depend on the remaining summer months.”
