Landa Park Golf Course Renovation Ground Breaking Set

New Braunfels, Texas — The City of New Braunfels invites the public to attend the Landa Park Golf Course Renovation ground breaking ceremony on Wednesday, October 30, 2013. The event will take place beginning at 10:00 a.m. at the Landa Park Golf Course located at 180 Golf Course Drive.

“We are very excited to embark on the Landa Park Golf Course Renovation project and sincerely appreciate our patrons’ understanding for any temporary inconvenience during the project,” said Stacey Dicke, Parks and Recreation Director. “We believe the changes will provide an even better experience for golfers.”

Renovations will include redesign of some holes, building new greens, adding new tees, and improving or replacing cart paths. Fairway improvements will include contouring and the addition of fairway bunkers. Also in the design will be a judicious use of native grasses in “out of play” areas that will add texture and color for further definition. A short game practice area will be a new feature. Finally, the new irrigation system will effectively water tees, greens, fairways and near roughs which will allow better coverage to all areas of play.

City Council awarded the construction contract to Heritage Links. The budget for this project is approximately \$6.3 million dollars. The City will issue certificates of obligation to fund the renovation of the golf course and the annual debt service will be repaid from golf course revenues. Pending weather and other factors, the project is expected to be completed in late 2014.

For additional information about the Landa Park Golf Course Renovation contact the City of New Braunfels Parks and Recreation Department at 830-221-4350 or visit www.nbtexas.org/golf.
