Household Hazardous Waste Collection Event

New Braunfels, TX – On Saturday, November 16, 2013, from 8:00 a.m. to 12:00 p.m. (rain or shine) the City of New Braunfels and Comal County will host a household hazardous waste collection event at Fire Station #2, located at 4120 Loop 337 in New Braunfels. The event is open to all City of New Braunfels and Comal County residents. Citizens must bring a picture I.D. with current address to verify residency.

Participants should not mix any items and transport them only in the car trunk or truck bed. Trailer loads will not be accepted in order to keep wait times to a minimum. When possible, items should be in their original, properly sealed and labeled containers.

Not all items are accepted. Prohibited items include: ammunition, explosives, flares, fireworks, compressed natural gas cylinders, medical waste, pharmaceuticals, radioactive materials, commercial waste, tires, trash, and electronics.

It is advisable to bring drinking water and/or a small snack in case the level of participation extends wait times.

Call (830) 221-4040 or visit the City's website at www.nbtexas.org/swrd for information about accepted items and the event or call the Comal County Emergency Management Office at (830) 221-1108.
