Library Services at the Westside Community Center

New Braunfels, TX -The Westside Community Center will be open for library services on Tuesdays from 10 a.m. to 6 p.m., Wednesdays from 1 to 6 pm, and Thursdays from 10 a.m.to 6 p.m., effective November 5th. In addition, the library will offer ‘Toddler-Time’ storytime every Thursday at 10:30 a.m. and ‘ABC Adventures’ storytime will be offered every Tuesday at 10:30 a.m., instead of 2:30 pm.

The Westside Community Center Library offers a collection of circulating books and DVDs, computers (featuring Microsoft Office, Internet access, and printing capabilities), and programming that includes Homework Help for students on Tuesday, Wednesday and Thursday from 3:30 p.m. to 6 p.m.

The Center also features a new Digital Media Lab, which is open during regular Westside Community Center Library hours. The library offers ongoing workshops on digital media creation in the lab, including an upcoming workshop on video game design scheduled for December.

“We’ve changed the Westside Community Centers’ hours to make it easier for patrons to make use of the facility,” says library director, Gretchen Pruett. “We believe that the addition of ‘Toddler-Time’ storytime and the move of ‘ABC Adventures’ to a morning slot will be popular with young families near the Westside, just as it is in the main library. The Center represents an exciting new direction for the library. The Digital Media Lab is a very special feature, and we’re thrilled to make it available to the community and to offer workshops on digital media creation.”

All of these programs are offered at no cost to the community. For additional information about library services at the Westside Community Center call 830-221-4300.
