September Sales Tax Received Reflects Increase over Last Year

New Braunfels, Texas — The City of New Braunfels has announced that sales tax received in November (for sales in the month of September) increased 16.3% overall in comparison to the same month last year. The tax from current period sales (without any audit or other months' adjustments) increased by 16.0%

“This puts total sales tax receipts for the City’s fiscal year at 12.6% above the same period last year and about where the City anticipated to be during the budget development process.” said Debi Korinchock, Chief Financial Officer.
