Affordable Care Act Workshops at Westside Community Center

New Braunfels, Texas — In partnership with CentroMed and the Alamo Area Council of Governments (AACOG), New Braunfels District 1 City Councilman George Green will be hosting a workshop on the Affordable Care Act on Wednesday, December 4, 2013 at the Westside Community Center from 3:00 p.m. to 7:00 p.m.

“In an effort to address the emerging needs of the constituents of District 1, and all the citizens of New Braunfels, CentroMed will offer four, one-hour sessions beginning at 3:00, 4:00, 5:00, and 6:00 p.m.” said Councilman Green.

Following these information sessions, CentroMed and AACOG will have certified counselors on hand to provide one-on-one counseling for individuals who wish to apply for coverage under the Affordable Care Act. This event will be offered in both English and Spanish.

Note that December 15th is the deadline to enroll for coverage under the Affordable Care Act to be effective January 1, 2014. The deadline to enroll in the Health Insurance Marketplace is March 31, 2014.

CentroMed is a nonprofit, Federally Qualified Health Center with certified application counselors to assist with the application process under the Affordable Care Act. It operates three clinics in New Braunfels.

For more information regarding this service, or to volunteer to assist with this program, contact the Westside Community Center at 830-221-4630. Residents unable to attend one of these workshops may receive technical assistance with the application process at the Main Library and library staff will refer them to additional resources to assist with the process, if needed.
