Minecraft Program Offered at Westside Community Center

New Braunfels, Texas — The New Braunfels Public Library will offer a multiplayer Minecraft building challenge for tweens and teens on Tuesday, January 14th from 5:00 - 6:30 p.m. at the Westside Community Center, 2932 S. IH-35. Minecraft is a popular online game that lets players place blocks of different materials to build whatever they can imagine.

Participants must have a Minecraft account before the challenge begins, and some knowledge of the game is required. Registration for the program opens January 7th and is available online at www.nbtexas.org/library or by calling 830-221-4300. Space is limited, so early registration is strongly encouraged.

For more information call the New Braunfels Public Library's Children's Desk at 830-221-4307. This free program is made possible with the support of *The Friends of the New Braunfels Public Library*.
