Walnut Ave. Traffic Shift Scheduled

New Braunfels, TX – The City of New Braunfels is advising motorists to expect delays on S. Walnut Ave. from Landa Street to IH-35 on Wednesday, January 8th from 9 a.m. to 4 p.m.

Northbound and southbound traffic on S. Walnut Ave. will be shifted from the existing lanes in use to the future southbound lanes in order to facilitate completion of the final pre-paving punch list items in preparation for placing the final asphalt layers.

While traffic will remain open in both directions, motorists are advised to use caution when negotiating this area. The traffic shift process is anticipated to last one day, weather and other factors permitting.
