Ceremony, Reception Set to Honor Retired Fire Chief

New Braunfels, Texas — The City of New Braunfels will host a reception in honor of retired Fire Chief John Robinson, following a Fire Department Retirement Ceremony on Main Plaza. The ceremony will take place beginning at 5:30 p.m. on Tuesday, April 29th, with the reception commencing at 6:00 p.m. at the New Braunfels Civic/Convention Center, 375 S. Castell Ave.

“This is a wonderful opportunity for the community to come out and observe a moving Fire Department tradition, as well as extend their personal well wishes to Chief Robinson,” said City Manager Robert Camareno.

Chief Robinson began his career with the New Braunfels Fire Department in 1991, and was promoted through the ranks and ultimately named Fire Chief in October of 2008.

During his tenure, Chief Robinson was instrumental in greatly enhancing the Emergency Operations Center training and functionality, building strong relationships with outside agencies, working to obtain a long-term agreement for Emergency Services District 7, supporting development of the New Braunfels Community Emergency Response Team (CERT), as well as taking a lead role in obtaining funding and securing migration of the department’s radio system.
