Library Offers Maker Faire Information Session and Extends Registration Deadline

New Braunfels, TX - The deadline for any groups or individuals interested in exhibiting at the New Braunfels Mini Maker Faire has been extended through June 14th. New Braunfels' very first Faire is scheduled for Saturday, August 2nd at the New Braunfels Civic/Convention Center. Those interested in participating should complete the simple application at www.makerfairenewbraunfels.com.

On Saturday, May 31st at 1:30 p.m. the library will offer an informational session about the upcoming event. This session will answer questions about project ideas and provide an overview of what the library's Maker Faire organizers are looking for. Those curious about participating should plan to attend and library staff members will be available to help anyone interested in taking part in this exciting new experience.

Part science fair, part county fair, and part something entirely new, Maker Faire is an all-ages gathering of tech enthusiasts, crafters, educators, tinkerers, hobbyists, engineers, science clubs, authors, artists, students, and commercial exhibitors. All of these "makers" come to Maker Faire to show what they have made and to share what they have learned.

The New Braunfels Mini Maker Faire is independently organized and operated under license from Maker Media, Inc. For more details, email info@makerfairenewbraunfels.com or call 830-221-4319.
