April Sales Tax Received Reflects 15.9% Increase

New Braunfels, Texas — The City of New Braunfels has announced an overall increase of 15.9% in sales taxes received for the month of April 2014 sales compared to the same month last year. The tax from April sales without any audit or other months' adjustments increased by a slightly lower percentage, 13.8%, due to prepayments for future months that increased the net payment to the City.

“Year to date, sales tax has increased 11.2% in comparison to the same period last year,” said Debi Korinchock, Chief Financial Officer. “Growth in sales tax remains very strong for this fiscal year, with April growth stronger than the prior two months.”
