Library to Offer Adult Storytelling Performance Nights

New Braunfels, TX - The New Braunfels Public Library will offer a storytelling performance night every fourth Wednesday of the month, from 6:30 p.m. to 8:00 p.m., beginning Wednesday, August 27th at the Westside Community Center. Members of the community are encouraged to attend for performances of folktales, fairytales, personal stories, ghost stories, wisdom tales, and other genres from many diverse cultures. Every age is welcome and members of the community are encouraged to share a story, or simply listen.

The New Braunfels Storytelling Performers will meet in the library area, upstairs at the Westside Community Center, 2932 S. IH-35.

The San Antonio Storytellers Association, which has put together this new program, is an organization of storytellers and story lovers in the Central and South Texas area. Their goal is to reintroduce the art of oral storytelling into the community at large.

“Storytelling is a great way for people to connect with each other by sharing their histories and their cultures. It encourages the sharing of stories between people of all walks of life. We think this will be a great program for our community,” said Library Director, Gretchen Pruett. “This is a new program for us and over time we anticipate that it will become very popular with young and old alike.”
