**2013 Bond Program - Klein Road Reconstruction Project Public Meeting**

**New Braunfels, TX** – As part of the City of New Braunfels 2013 Bond Program, approved by voters in May 2013, the Klein Road Reconstruction project cited on Proposition 1 is progressing. City Officials have scheduled a public meeting to gather input related to the development of this project. Residents are encouraged to attend the meeting which will be held on Thursday, November 13, 2014, beginning at 6:00 p.m., at Klein Elementary School located at 2620 W. Klein Road.

The Klein Road project will reconstruct Klein Road from Walnut Avenue to FM 1044, improving vehicular and pedestrian access. The new roadway will include sidewalks on both sides of the roadway as well as drainage improvements.

At the meeting, River City Engineering will present the proposed plans for the roadway, facilitate discussions and answer questions. City Staff will also be on hand to field questions about the project.
