**Fire Department Canned Food Drive Underway**

**New Braunfels, Texas** — The New Braunfels Fire Department, working with the New Braunfels Professional Fire Fighters Association (NBPFFA), has begun its annual Thanksgiving Food Drive to assist our local Spirit of Sharing (SOS) Food Bank feed the needy during this very special time of year.

Food collection containers have been placed at all fire stations, and the stations will serve as collection points to facilitate citizen donations. The boxes will remain at the stations till Friday, November 21st when the food will be delivered to the SOS Food Bank. This will be the bulk delivery of donations, however any subsequent contributions will be delivered up until the food bank closes for the holiday.

“Many residents rely on assistance from the food bank, and they rely on people with generous and kind hearts, like the citizens of New Braunfels,” said NBPFFA President Robert Garcia. “Let’s make this a true Thanksgiving for all – we thank you for joining with us to help.”
