**City Council to Hold Joint Workshop on Community Recreation Center**

**New Braunfels, TX** – New Braunfels City Council will hold a joint workshop with the Parks and Recreation Advisory Board and the Recreation Center Steering Committee regarding the schematic design and project progress of the Community Recreation Center, on Monday, December 8<sup>th</sup>. This public meeting will be held at the New Braunfels Civic/Convention Center, 375 S. Castell Ave., beginning at 4:30 p.m.

Brinkley Sargent Architects will present the proposed schematic design, showing the layout of the building and the size of the proposed spaces within the center.

The Community Recreation Center Project, cited on Proposition 3 of the City of New Braunfels 2013 Bond Program, will develop a multi-generational community center that will offer a wide array of outreach opportunities and services for the entire community. City Council approved the future site of the Community Recreation Center, Landa Plaza, in April 2014.
