Councilman Peters Hosts Second District 5 Citizen Forum

New Braunfels, TX – On Tuesday, January 13th, District 5 Councilman Wayne Peters will host his second Citizen Forum. This public meeting will be held at the New Braunfels Public Library, 700 E. Common Street, beginning at 6:00 p.m.

Parks and Recreation Director Stacey Dicke will be the featured speaker and will provide a presentation on park project updates - including Fischer Park, Landa Park and 2013 Bond Program park projects such as the new recreation center. Assistant City Manager Kristi Aday will also be on-hand to address any questions on other City topics.

“All citizens are invited to attend this forum,” Councilman Peters said. “This is a great opportunity to learn about the exciting progress we are making, have questions answered and to develop collaborative relationships with both myself and City staff members.”
