Hanz Drive Construction Set

New Braunfels, TX – The City of New Braunfels has announced that road work will commence on Hanz Drive, from Gruene Road to Loop 337, on Tuesday, April 7th. The construction will accommodate utility tie-ins for new subdivision construction in the High Cotton Estates area.

The project is anticipated to take approximately three weeks to complete, pending weather and other factors, and work will take place between 9:00 a.m. and 3:00 p.m. Drivers should anticipate potential traffic delays in the area as flaggers will be present to facilitate alternating lane closures.

For additional information, contact the City of New Braunfels Engineering Division, at (830) 221-4020.
