McQueeney Road Resurfacing

New Braunfels, TX – The City of New Braunfels has announced that resurfacing of McQueeney Road, from Trade Center Drive to County Line Road, will begin Thursday, April 9th.

The work will consist of a resurfacing and blade level-up and it is anticipated that the project will take approximately three weekdays, contingent upon weather and other factors. Drivers should anticipate potential delays as flaggers will be present to coordinate alternating lane closures during the project.

This work is part of the Streets and Drainage Division's annual street maintenance program funded by the City's General Fund.
