Marigold Drive Reconstruction

New Braunfels, TX – The City of New Braunfels has announced that the reconstruction of Marigold Drive, from Hollyhock Lane to Mesquite Avenue, is scheduled to begin on Wednesday, June 3rd.

The scope of work includes reconstruction of the pavement and it is anticipated that the project will take approximately two months, contingent upon weather and other factors. Marigold Drive will be restricted to local traffic only during construction.

D&D Contractors, Inc. of Schertz, Texas, is performing the work and the project is part of the Streets and Drainage Division's annual street maintenance program funded by the City's General Fund.
