Temporary Street Closure on Segment of Common Street

New Braunfels, TX – City officials have announced that Common Street, from Gruene Road to Loop 337, will be closed on Friday, May 29th from 10:00 p.m. through Saturday, May 30th at 8:00 a.m. for New Braunfels Utilities work on the Common Street improvement project. Drivers should use an alternate route during this work period.

This road closure will facilitate the installation two new water service lines that cross under the street. The resurfacing of this portion of Common Street is part of the 2013 Bond Program Citywide Street Improvements project. Work is expected to be completed within the indicated times, weather and other factors permitting. Should weather preclude the work Friday night, it will be rescheduled for an overnight timeframe in the coming week.
