**Downtown Sidewalk Improvement Project Phase 1 Open House**

**New Braunfels, Texas** — The City will conduct an open house at the New Braunfels Civic and Convention Center on Tuesday, June 30<sup>th</sup>. Residents, property owners, and business owners are encouraged to attend and review the Downtown Sidewalk Improvement Project plans with City staff. The open house will run from 4:00 to 8:00 p.m. and the public is invited to stop in anytime between those hours.

Phase 1 of the project includes the reconstruction of existing sidewalks along San Antonio Street, from the Comal River Bridge to Clemens Avenue, and along Seguin Avenue, from Zink to Garden Street. The scope of work will repair broken and uneven sidewalks, install new sidewalks where none currently exist, and bring all of the sidewalks in the Phase 1 area into compliance with Americans with Disability Act (ADA) requirements.
