Child Pornography Arrest

New Braunfels, Texas — On August 20th, 2015, officers with the New Braunfels Police Department located and arrested 24-year old Loren Sebastian McFall on a single count of Possession of Child Pornography.

The investigation into McFall began back in June following a tip that came in through the National Center for Missing and Exploited Children Cyber Tip Line. The subsequent investigation revealed that apparent child pornography was being uploaded using an IP address from a residence at an apartment complex on Creekside Way in New Braunfels. Further investigation, including a search of electronic media storage devices belonging to McFall, led to the discovery of numerous images and videos depicting apparent child pornography.

McFall was arrested on 08-20-15 at the home of his parents, in the 300 block of Stone Gate, which also serves as a licensed in-home daycare facility. In response, NBPD has notified the Texas Department of Family and Protective Services and its Child Care Licensing Division.

Following his arrest, McFall was booked at the Comal County Jail and released that same day on a \$10,000 bond. Under Texas Penal Code 43.26, Possession of Child Pornography is a 3rd degree felony punishable by 2 to 10 years in prison and a fine of up to \$10,000.

The investigation continues and is now focused on identifying and locating the child victims. As of this release, it appears that all of the images were obtained online and there is no indication that any of the children involved are from the local area.
