Sports Complex Feasibility Study Public Input Meeting

New Braunfels, TX – New Braunfels residents are invited to a public input meeting on the Sports Complex Feasibility Study. The meeting is scheduled for Tuesday, October 13th, at 7:00 p.m., at the New Braunfels Civic/Convention Center, located at 375 S. Castell Avenue.

PROS Consulting is conducting the study and will provide an update on the project vision, steps and schedule, and also present the market analysis during the course of the input meeting.

“We encourage all citizens to attend and share their thoughts and ideas on the project,” said Robert Camareno, City Manager. “This meeting is a great opportunity to learn about the feasibility study process and become familiar with the overall project.”

In Proposition 3 of the 2013 Bond Program voters approved funding for the acquisition of land for development of a sports complex and in August 2015 City Council approved expenditure of \$50,000 in 4B funds for the feasibility study for the project.
