**District 1 Citizen Forum Features Capital Projects**

**New Braunfels, Texas** — On Tuesday, December 8th, beginning at 6:00 p.m., District 1 City Councilman George Green will host a Citizen Forum at Hill Country Cottage and RV Resort, 131 S. Rueckle Rd.

Featured at the forum will be a presentation by Bryan Woods, City of New Braunfels Capital Programs Manager. The Capital Programs Division was created to deliver capital projects to the citizens of New Braunfels. Projects include traditional "horizontal" projects such as street and drainage projects and "vertical" projects such as fire stations, parks facilities, etc. Mr. Woods will discuss 2013 Bond Program projects in District 1, including major improvements to Rueckle Road, Solms Road and Morningside Drive. He will also provide an update on other capital projects citywide.

Also presenting will be Bob Bajackson, Dallas Cowboys Media Information Specialist and Director of Student Publications at Texas State University, and Mayor Barron Casteel will be on hand to answer questions and provide remarks.

“Come out, enjoy some food and beverages, and hear about current and future projects in District 1,” said Councilman Green. “Residents who travel Rueckle Road, Solms Road or Morningside Drive will definitely be interested in this update.”
