South Walnut Avenue Improvements Beginning

New Braunfels, TX – The City of New Braunfels has announced that S. Walnut Avenue, from IH-35 frontage road to Gardenia Avenue, will be under construction beginning Thursday, December 10th.

The scope of work includes; removal and replacement of curb sections, ADA ramps, sidewalks, new inlet grates, and removal and resurfacing of the asphalt pavement. Intermittent lane closures will occur during the duration of the project. Construction is expected to last approximately twelve weeks.

The resurfacing of S. Walnut Avenue is part of the 2013 Bond Program Citywide Street Improvements project. Work is expected to be completed within the indicated times, weather, having TxDOT temperature specifications for final paving met and other factors permitting. For additional information, please contact Joshua Niles, Capital Project Specialist, at 830-837-2848.
