Sales Tax Received for October Shows Substantial Increase

New Braunfels, Texas — The City of New Braunfels has announced an overall increase of \$222,883, or 11.2%, in sales taxes received in December (for the month of October) compared to the same month last year.

"City Staff is encouraged to see this increase for the first month of our 2015-16 fiscal year. October is the second month that shows a true year-to-year comparison after state legislation changed point of sales tax allocations from distribution centers," said Martie Simpson, Director of Finance.
