Free Kidney Screenings at the Westside Community Center

New Braunfels, Texas — The City of New Braunfels Westside Community Center is partnering with the Texas Kidney Foundation to provide free kidney screenings to the public on Friday, December 18th from 9:00 a.m. - 12:00 p.m. at the Westside Community Center. The Center is located at 2932 S. IH-35, New Braunfels, TX 78130.

The screening is free to the public and will take about 30 minutes. No fasting is required. Participants will meet one-on-one with a medical professional to review the results.

“We are hoping patrons will take advantage of this free Texas Kidney Check program. Kidney disease symptoms are often silent, so come and get checked by professionals in the field,” said Outreach Coordinator Jennifer Hernandez. “It’s fast, easy, and free!”
