City Staff Members Get Creative for United Way

New Braunfels, Texas — City of New Braunfels employees raised \$10,425 for United Way of Comal County (UWCC) this fall. City Manager Robert Camareno and Assistant City Manager Kristi Aday presented the funds to UWCC Executive Director Terry Robinson in City Council Chambers on December 21st.

“An employee committee was formed at the start of the fundraising period and they developed a number of creative ways to increase participation including a taco sale, holiday gift wrapping station, ‘United Way Bikers’ motorcycle ride, Texas State football ticket re-sales, and multiple gift raffles at our annual City Employee Chili Cook-Off competition,” said Human Resources Director Gary Wuest. “One time donations, a bake sale and recurring payroll deductions rounded out the contributions, resulting in a nice increase over the previous year’s donation total.”
