**Joint Citizen Forum on Loop 337 Expansion Project**

**New Braunfels, Texas** — On Tuesday, February 16th, beginning at 6:00 p.m., Mayor Barron Casteel and District 4 Councilmember Chris Monceballez will host a joint Citizen Forum. This public meeting will be held in the Townhall in the Pinnacle at EdenHill. EdenHill is located at 631 Lakeview Blvd.

At the forum, Texas Department of Transportation (TxDOT) staff will provide a presentation on the Loop 337 expansion project, take public feedback and be available to answer questions. The proposed improvements expand Loop 337 from two lanes to a four-lane, divided roadway (with pedestrian accommodations) from Hillcrest Drive to Rueckle Road.

“This project is an example of government entities collaborating together to plan effectively for the future,” said Mayor Barron Casteel. “It is an investment that will provide a safer, enhanced and more efficient transportation system in a critical location in our community.”
