Public Input Sought on Current City Hall Site Redevelopment Master Plan

New Braunfels, Texas — The City of New Braunfels is seeking input regarding the current City Hall Site Redevelopment Master Plan. A public meeting is scheduled for Tuesday, March 29th, at 6:00 p.m., at the McKenna Events Center, located at 801 W. San Antonio Street. The meeting will be facilitated by the City's Master Plan consultants, Douglas Architects.

Residents, property owners, and business owners are encouraged to attend and share input on the proposed City Hall Site Redevelopment Master Plan.

The City has identified the current City Hall site, and surrounding City-owned property, as a target for focused redevelopment. The Master Plan project, funded by the City's 4B Board, will guide improvements in the area to ensure that future development at that location meets the needs of the community.

For additional information on the Master Plan project, or the meeting, contact the City's Downtown Development Coordinator at 830-221-4057.
