**Landa Park Master Plan Community Input Meeting**

**New Braunfels, TX** - The New Braunfels Parks and Recreation Department invites the public to share input regarding the Landa Park and Arboretum Master Plan. The meeting is scheduled for Thursday, April 21st from 6:00 - 8:00 p.m. at Landa Haus, located at 360 Aquatic Circle. This event will be the first of several open forum meetings on the project.

“Community input is a crucial part of our development process,” said Stacey Dicke, Parks and Recreation Director. “We encourage all interested parties to bring suggestions or attend to learn more about the process.”

Representatives from the Master Plan design team, Asakura Robinson, and City staff will be available during the meeting to answer questions and discuss the project. The design team will work to develop the plan through October of 2016 using a multi-faceted strategy, including collaboration with the Master Plan Steering Committee, a stakeholder group and the general public.

Among other areas that will be addressed during the process are key concerns outlined in the adopted 2010 New Braunfels Strategic Parks and Recreation Master Plan such as improving wayfinding signage, arboretum tree health and preservation, traffic and pedestrian safety and circulation, parking, and refurbishment of key structures and facilities.

Call 830-221-4350 for additional information.
