80th Anniversary of Landa Park Moonlight Gala Relocated

New Braunfels – The New Braunfels Parks Foundation has announced that the 80th anniversary of Landa Park Moonlight Gala, originally scheduled for Landa Park on Saturday, April 16th, will be relocated to the McKenna Events Center due to the current weather forecast for this weekend.

The Center is located at 801 W. San Antonio Street and the Gala will begin at 6:30 p.m. on Saturday, as planned.

The fund-raising event features a lavish dinner and cocktails, and live music by Jazz, Blues and Diamonds, along with a variety of unique games, raffles and auctions. All funds raised from the event will be put towards a renovation of the Landa Park Miniature Golf Course, a favorite feature in the park for over sixty years.

For more information, call the Parks and Recreation Administrative Office at 830.221.4350.
