San Antonio Street Bridge Repair

New Braunfels, TX – The City of New Braunfels has announced that drivers on the San Antonio Street Bridge will be experiencing temporary traffic delays on Friday, May 13th from 9:00 a.m. to 5:00 p.m. During that time-frame construction will be underway to replace railing on the bridge that was damaged due to a motor vehicle accident.

For a period of time Friday traffic will be reduced to one lane and will be controlled by flagmen. It is anticipated that two-way traffic will be in place for the remainder of the project.

Work is expected to be completed within the indicated times, weather and other factors permitting.

For additional information, please contact John Cox, Street and Drainage Manager at 830-221-4030.
