Sales Tax Received for June

New Braunfels, Texas — The City of New Braunfels has announced an overall decrease of \$27,305 or .99% in sales taxes received in August (for the month of June) compared to the same month last year. Current period sales (without adjustments made by the State for various reasons including future period collections) are up \$91,535 or 3.4% for the month.

"Fiscal year-to-date receipts are up \$1,400,221, or 7.2%, for the same nine month period last year" said Martie Simpson, Director of Finance. "We are encouraged to see the increase for the year even though the monthly net payment is slightly down."
