**Landa Park and Arboretum Master Plan Community Input Meeting**

**New Braunfels, Texas** – The New Braunfels Parks and Recreation Department has invited the public to share input regarding the Landa Park and Arboretum Master Plan. A community meeting is scheduled for Monday, September 26<sup>th</sup> from 6:00 - 8:00 p.m. at Landa Haus, located at 360 Aquatic Circle. This event will be the third and final community meeting on the project.

Representatives from the design team, Asakura Robinson, will start the meeting with a short presentation sharing updated concepts for the draft Master Plan, followed by an interactive session where attendees can provide input relating to specific areas of the park. City staff will also be available during the meeting to answer questions and discuss the project.

“This plan will outline the future of Landa Park and the Arboretum, we encourage all interested parties to attend, bring suggestions and learn more about the project,” said Stacey Dicke, Director of Parks and Recreation.

The design team will work to develop the plan through October of 2016 using a multi-faceted strategy, including collaboration with the Master Plan Steering Committee, a stakeholder group and the general public.

Among other areas that will be addressed during the process are key concerns outlined in the adopted 2010 New Braunfels Strategic Parks and Recreation Master Plan such as improving wayfinding signage, arboretum tree health and preservation, traffic and pedestrian safety and circulation, parking, and refurbishment of key structures and facilities.

For additional information on the meeting, visit [www.nbtexas.org/LandaParkMasterPlan](http://www.nbtexas.org/LandaParkMasterPlan) or contact the City’s Parks and Recreation Department at 830-221-4350.
