Book Club Kits at the New Braunfels Public Library

New Braunfels, TX – The New Braunfels Public Library now has book club kits for the public to check out. Book club kits contain multiple copies of a single title and often include a discussion guide as well.

“Many of these books have been used for library sponsored book clubs in the past. We’ve now made them available to check out for six weeks at a time in order to encourage our library patrons to create their own book clubs as well,” commented Toni Davenport, Adult Services Librarian. “This is another way that the library is supporting literacy out in our community.”

The book club kits are located at the end of the computer area, on the shelves underneath the windows. Patrons can search the book club kits on the library catalog, at <https://newbraunfels.biblionix.com/catalog/>, using the term “Book Club Kit.”

These kits are made possible by The Friends of the New Braunfels Public Library. For further information, contact Toni Davenport at 830-221-4300.
