**New Braunfels Public Library Hosts Hearing Exams and Seminar for Seniors**

**New Braunfels, TX** – The New Braunfels Public Library will host a seminar on hearing and providing free hearing exams on Monday, December 5<sup>th</sup> as part of the OWL (Older, Wiser, Livelier) program.

OWL is a weekly program geared toward citizens aged 50 and above. Each week the library rotates through a variety of programs from games and puzzles to crafts or guest speakers. On December 5<sup>th</sup>, the guest speaker will be Lorin Gregory from Listen Hear Hearing Solutions.

“Lorin will first have a presentation and discussion on hearing loss and how it affects your daily life. After the presentation, attendees can have a free hearing screening,” said Toni Davenport, Adult Services Librarian. “We hope to help the public understand hearing loss and have an opportunity to detect any hearing issues they may have.”

This program is free, no registration is necessary and it is made possible with the support of The Friends of the New Braunfels Public Library. For more information about the program, call the library at 830-221-4300.
