River Properties Master Plan Public Input Meeting Scheduled

New Braunfels – The New Braunfels Parks and Recreation Department invites the public to share input regarding the River Properties Master Plan. The community meeting is scheduled for Tuesday, December 13th at 6:00 p.m. at the New Braunfels Civic/Convention Center, located at 375 South Castell Avenue.

“Representatives from the design team Freese and Nichols will start the meeting with a short presentation sharing concepts for the draft Master Plan, followed by an interactive session where attendees can provide feedback relating to the proposed plan,” said Stacey Dicke, Parks and Recreation Director. “Residents are encouraged to attend and comment on the draft recommendations - the input will assist the design team in developing the final plan.”

City staff and the Master Plan Steering Committee will also be available during the meeting to answer questions and discuss the project.

In June, City Council approved a contract with Freese and Nichols for the development of a Master Plan for city owned property along the Guadalupe River near River Acres Park. The Parks and Recreation Department has maintained the property as a greenbelt and would now like to develop a strategy for future use based on public input.

For additional information on the project or meeting, contact the City’s Parks and Recreation Department at 830-221-4350.
