District Five Citizen Forum to Feature Capital Projects and Street Improvements Program

New Braunfels, Texas — On Wednesday, January 25th beginning at 6:00 p.m., District Five Councilmember and Mayor Pro Tem Wayne Peters will host a Community Forum at the Lamar Elementary School Cafeteria, 240 North Central Avenue.

Featured at the meeting will be a presentation on major capital projects by City of New Braunfels Capital Programs Manager, Bryan Woods and a presentation on the 2017 Street Improvements Program by Public Works Director, Greg Malatek. City Manager Robert Camareno will also be available to answer any general questions from citizens.

“This meeting is open to District Five residents as well as any interested citizens wanting to learn more about upcoming major capital projects and the street improvements program,” Councilmember Peters said. “This is also an excellent opportunity for residents to ask questions or share their opinions with us on other topics.”
