Free Kidney Screenings Offered at Westside Community Center

New Braunfels, TX – Free kidney function screenings will be offered in the downstairs classroom at the Westside Community Center (WCC) on Friday, February 17th from 10:00 a.m. to 12:00 p.m. by Texas Kidney Check, a screening program of the Texas Kidney Foundation. No fasting is required for the screening. All participants will have an opportunity to meet one-on-one with a medical professional to review their results.

According to the Texas Kidney Foundation, 44,000 people in Texas are on dialysis every year and kidney disease symptoms are usually silent, so this is a great way to get checked before permanent damage occurs.

To register for a scheduled time, please call the WCC Office at 830-221-4630, but walk-ins are also welcome during the screening. For more information contact www.txkidney.org or call 210-739-9778.

The Westside Community Center is located at 2932 S. IH 35, New Braunfels, TX 78130.
