River Recreation Public Input Meeting

New Braunfels, Texas —New Braunfels residents are encouraged to attend and provide input at the fourth annual river recreation public input meeting on Wednesday, September 13th, at 6:30 p.m., in City Council Chambers at City Hall. City Hall is located at 550 Landa Street.

The River Advisory Committee was appointed by City Council in November of 2014 to advise them in river related matters, which led to the establishment of an annual public input meeting to give citizens an opportunity to voice their opinions and suggestions for City of New Braunfels river operations. During the meeting, City staff, and the River Advisory Committee, will provide a presentation on the 2017 river season, answer river-related questions and receive input.

“This is a great opportunity for citizens to come and learn more about the river operations of New Braunfels, as well as provide their ideas and feedback on the river season,” said River Operations Manager Amy Niles.
