New Braunfels Public Library and the Westside Community Center Closed for Staff Training Wednesday, October 25th

New Braunfels, TX - The New Braunfels Public Library and the Westside Community Center will be closed on Wednesday, October 25th to allow staff to attend training sessions. No programs will be held that day. This temporary closure also includes the RIOmobile bookmobile.

“We regret the impact that closing for the day might have on our library customers, but we believe that this is the best way to offer high quality training to our library staff. We have nationally acclaimed library trainer Pat Wagner, from Siera Learning, coming to help staff with the challenges of today’s library service needs. Customer service remains our top library priority, and training sessions such as these enable us to ensure that all staff members are working at the highest level possible,” explained Library Director Gretchen Pruett.

For questions regarding the closure, or other matters, contact the library at 830-221-4300.
