**Downtown Public Restrooms Grand Opening**

**New Braunfels, Texas** — The public is invited to attend the grand opening ceremony for the downtown public restrooms project on Wednesday, November 1st at 11:00 a.m. The event will take place at 401 Main Plaza in historic downtown New Braunfels.

The project stemmed from the City of New Braunfels' Downtown Implementation Plan, which recommended improvement of the infrastructure downtown to promote development, future investment, and to encourage pedestrian traffic in the area.

The New Braunfels Industrial Development Corporation (4B) provided \$443,000 in funding towards the project and \$50,000 each was provided by the Rotary Club of New Braunfels and the Downtown Rotary Club of New Braunfels, along with an additional \$2,500 from the national Rotary organization. The City's Capital Programs division managed the project.

"Downtown New Braunfels provides cultural and economic benefits for residents and visitors and promotes economic development within the city," said Bryan Woods, Assistant City Manager. "This project is a great example of multiple organizations partnering together for the good of the community."
