Temporary Detour Downtown

New Braunfels, TX – Motorists should expect lane closures and detours on W. San Antonio Street from Hill Avenue to S. Castell Avenue from Monday, April 2nd through Wednesday, April 11th.

Daily closure times are from 9:00 a.m. to 5:00 p.m. to allow for a fire line installation. The work is expected to be complete in the timeframe shown, weather and other factors permitting. The closures will also include four parking slots. To avoid delays, an alternate route may be prudent during the construction period.
