Texas Amateur Athletic Federation Summer Games of Texas

New Braunfels, Texas – Local athletes will compete in this year’s Texas Amateur Athletic Federation (TAAF) Summer Games of Texas this weekend in College Station, Texas. This annual event is an amateur sports festival created for athletes from throughout the entire state of Texas. Both the Landa Park Dolphins Swim Team and the Rapids Track Team have qualifying athletes participating in a variety of individual and team events.

TAAF is a nonprofit 501(c)3 professional organization, established in 1925, to promote, organize and conduct amateur athletics in the state of Texas.

“We want to wish them luck as they represent our local TAAF region as well as the greater New Braunfels area,” said Geronimo Aguirre, Recreation Manager with the City of New Braunfels Parks and Recreation Department. “Go Dolphins! Go Rapids!”

The Cities of College Station and Bryan, in collaboration with Texas A&M University, will host the competitions. Athletes and spectators will have the opportunity to experience the athletic facilities in Bryan-College Station including Texas A&M Student Recreation Center Natatorium, Mitchell Tennis Center, College Station High School, Texas A&M Physical Education Building, Wolf Pen Creek Festival Site and more.
