**City Council to Hear South Castell Ave. Visioning Plan Update**

**New Braunfels, TX** — On Monday, September 17, 2018, consultants Douglas Architects will present an update on the South Castell Avenue Visioning Plan to New Braunfels City Council at a special meeting. The meeting will be held in City Council Chambers, 550 Landa Street, at 5:00 p.m.

This visioning plan is designed to communicate to the development community what citizen expectations are for the area. This citizen-led visioning process allows the City to share with the future developer what is important to the community and the public is encouraged to attend the Special City Council Meeting for an update on the status of this ongoing process.
