Dos Rios Watershed Cleanup Event Postponed

New Braunfels, TX – The Dos Rios Watershed Cleanup Event scheduled for this Saturday, September 15th, has been postponed due to expected inclement weather conditions. The event was slated as a “rain or shine” event but the National Weather Service is projecting heavy rainfall and the potential for flash flooding which could create hazardous and unsafe conditions for event volunteers.

The event is being rescheduled for Saturday, October 13th. Those interested in volunteering for the clean-up event on October 13th should sign up at www.nbtexas.org/DosRiosCleanup. Volunteers are asked to sign up for the new date even if they were registered for the cleanup event previously scheduled for September 15th. For additional information call 830.221.4020 or email pquast@nbtexas.org.
